

Announcement of Design Number Change for Hole Gripper (model WKK)

model WKK

Dear Valued Customers,

First of all, thank you very much for your continuous use of our products.

Today, please confirm below about the subject.

Notes

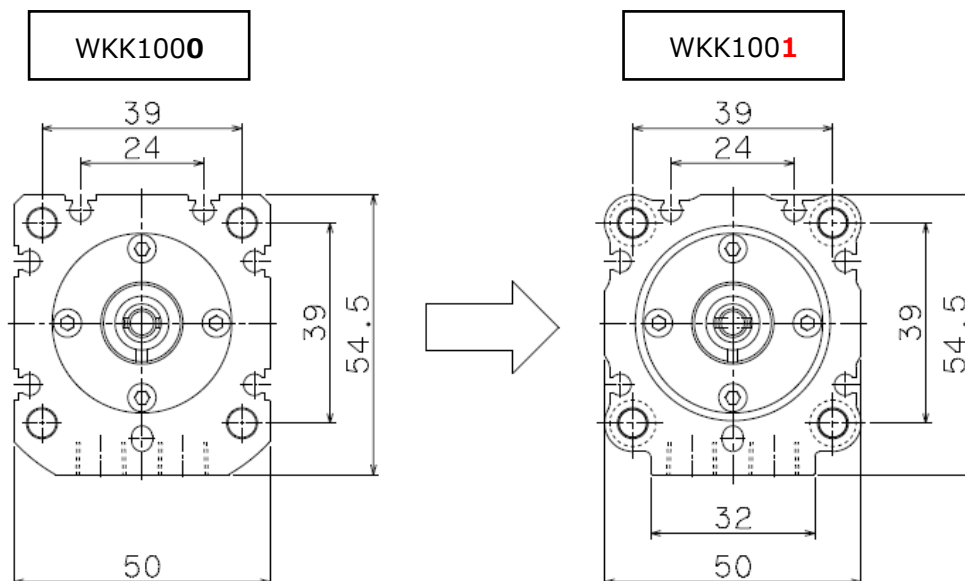

Update Model References Below

1. Model Number

| Model Name | Existing Model | After Changing Design No. |
|--------------|----------------|---------------------------|
| Hole Gripper | WKK1000 | WKK100 1 |
| | WKK2000 | WKK200 1 |

2. Model Change Notes and Specifications:

- Cylinder body changed from red to white.
- WKK2001: No changes other than exterior color. Interchangeable with the existing item.
- WKK1001: Body shape has changed. Interchangeable with the existing item for mounting.

3. Schedule

The changeover will occur sequentially from January 2025.

(Lead times may slightly vary depending on stock status.)

When different sizes are ordered in one order, please understand that old and new items may be mixed. However, when the same sizes are ordered in one order, old and new items will not be mixed. (When old and new items are mixed due to stock status, we will contact you before shipment.)

※Regarding supplying to overseas, the update timing is different, depending on overseas office or dealers.

Please contact our salesperson for further inquiries.

Yours Sincerely
KOSMEK LTD.
